My curiosity reared up again. The gossip columnists speculated a great deal about how Amanda and Selene managed their dual existence, but because neither personality gave interviews on the subject, it had to remain only speculation. The custody decision, however, was public knowledge. January to June had gone to Margot Randall, July to December to the Senator. It sounded like the alters might still divide then* year that way. In the succeeding mornings, if I ran too slowly, she simply left me behind. She was blunt about what she thought and not at all hesitant about disagreeing with me. Still, there was no verbal swordplay and no pretense about her, which was as attractive in its way as Amanda's charming acquiescence.
