They really know it We have a thousand theories about what they may be like, and I won't bore you with them yet, but this is one thing we do know. They can build anything they need, make a blueprint in DNA, encapsulate it in a spore and bury it, knowing exactly what will come up in forty thousand years. When it starts to get cold here and they know the cycle's drawing to an end, they seed the planet with the spores and ... do something. Maybe they die, or maybe they have some other way of passing the time. But they know they'll return."Maurice didn't seem to mind." He sniffed and lit another cigarette.
