The first piece is at the bottom of a luminous pool in the center. But it is so grey there that the grey man would

blend completely in with the scenery and never get out again. Up this one is a mountain so high that the North Wind lives in a cave there. The second piece of the mirror is on the highest peak of that mountain. It is so windy there, and the grey man is so thin, he would be blown away before he was halfway to the top. Two leagues short of over there, where the third piece is, there stretches a garden of violent colors and rich perfume where black butterflies glisten on the rims of pink marble fountains, and bright vines weave in and about. The only thing white in the garden is a silver-white unicorn who guards the last piece of the mirror. Perhaps the grey man could get that piece himself, but he will not want to, I know, for lots of bright colors give him a headache." "Good for you," he said when Amos had climbed onto the deck and given him the glass. "Now come. was the power system created by focusing the Ozo at a narrow aperture on the interior of the Sun. Others included the system of satellite slave units in stationary orbits and a computerized tracer device which would keep the Ozo focused on any subject." "Not really polystyrene," Ralston interjected. "David T. J. Doughan." "I don't know." "I look out at the crowd and it's like staring at the Pacific after dark; the gray waves march out to the horizon until you can't tell one from the other. Here on the stage, the crowd-mutter even sounds like the sea, exactly as though I was on the beach trying to hear in an eighteen-foot surf. It all washes around me and I'm grateful for the twin earpieces, reassured to hear the usual check-down lists on the in-house com circuit. She sighed again, but this time with relief. "The Detweiler boy was down here with me until six-thirty.. a wild card, a man of action with proven survivability. Maybe it worked out. She watched her brother for a. where we can and adapt it to us where we can. For that, we're better off than most of the colonists of the past, at least for the short term. We have a large supply of everything a colony needs: food, water, tools, raw materials, energy, brains, and women. Without these things, no colony has much of a chance. All we lack is a regular resupply from the home country, but a really good group of colonists can get along without that. What do you say? Are you all with me?" "I stood there stunned. So did Ike. So did Eli and Dan. Ike got his breath back first. "Where's the Organizer?" he asked Zeke in a sort of whisper.. "Andy?" He frowned slightly. "Come on in. I'm David Fowler." He held out his hand.. And they loved her back. (Once, a couple of years ago, a young black buck thought an old fat lady with one eye would be easy pickings. The cops found him three days later, two blocks away, under some rubbish in an alley where he'd hidden. He had a broken arm, two cracked ribs, a busted nose, a few missing teeth, and was stone-dead from internal hemorrhaging.). She stirred in my arms. I felt a ripple of tension in her body. She lifted her head and kissed me hard. I grabbed her shoulders and held her off at arm's length to look at her..
