Add to this the defensiveness so many.When Westland left, I headed for the men's room to down a couple of aspirin to steady my nerves. And who should I meet coming out of the door but Admiral Venerate. Venerate and I are old buddies, having been together on the Potlatch Investigation Team some eight years ago. At that time I proved there were no irregularities in the award of the Potlatch missile contract to Megalo. Venerate proved that the Navy had done nothing wrong. I was promoted to this staff position. Venerate moved up to Admiral..the fringe benefits. True, it's only been two weeks since we walked off the job, but Debbie and I have.Not long afterward I left. I didn't want to be hung-over on my first spell of picket duty. It was a cool night, and the stars were thick in the sky. I caught glimpses of the Project as I made my way home through the narrow streets. It dominates the whole city. The whole Plain, for that matter. It had sort of a pale, blurred look in the starlight, the six completed stages blending together, the uncompleted seventh one softly serrated against the night sky. Working on it every day, I've kind of forgot how high it is, how much higher it's going to be when we get back on the job. The highest thing ever, they say. I won't dispute that. It makes a palm tree look like a blade of grass and a man look like an ant. Looking at it tonight, I felt proud to be one of the builders. It was as though I'd built the whole thing myself. That's the way a bricklayer feels sometimes. It's really great I feel sorry for brickmakers. You'd never catch me slogging all day in a mud hole..performing a much more essential task. The brickmaker asked him how he'd perform it without the."Do you mean it?" Barry asked, marveling over Marvin's tattoo as they shook hands. I finally started looking at the street signs. I was on Mullholland. I kept going west for a long time, crossed the San Diego Freeway, into the Santa Monica Mountains. The pavement ends a couple of miles past the freeway, and there's ten or fifteen miles of dirt road before the pavement picks up again nearly to Topanga. The road isn't traveled much, there are no houses on it, and people don't like to get their cars dusty. I was about in the middle of the unpaved section when Detweiler seemed to calm down. I pulled over to the side of the road and cut the engine. The San Fer-.angel, you'd get Andrew Detweiler in a blond wig. His body was slim and well-formed?from where I.& even Utley."I thought you'd write something about me." "Would you like me to do that?" "It's too late now." On "three," we each bring up our right hand. Hers is a clenched fist: Well, Til get them, he insisted, hoping to impress the other voice with the authenticity and vitality of his self-confidence. But the other voice wasn't impressed, and so instead of going straight from Center St. to the nearest speakeasy to celebrate, he took the subway home and spent the evening watching first a fascinating documentary on calcium structures and then Celebrity Circus, with Willy Marx. Willy had four guests: a famous prostitute, a tax accountant who had just. 186. one another was like steel against bronze.. "You're right," he said. "What we need is a pilot, and that pilot is Commander Weinstein. Which presents problems legally, if nodiing else. He's the captain of a ship and should not leave it. That's what kept him on the Edgar in the first place. But he did have a lot of training on the lander simulator back when he was so sure he'd be picked for the ground team. You know Winey, always the instinct to be the one-man show. So if he thought he could do it, he'd be down here in a minute to bail us out and grab the publicity. I understand they're trying to work out a heat-shield parachute system from one of the drop capsules that were supposed to ferry down supplies to us during the stay here. But it's very risky. You don't modify an aerodynamic design lightly, not one that's supposed to hit the atmosphere at ten thousand-plus kilometers. So I think we can rule that out. It was so dark in there with the curtains drawn that I couldn't see a thing. I left the closet and opened them a little on the front window. It didn't let in a lot of light, but it was enough. Maybe Detweiler wouldn't notice. I went back to the closet and waited..we'd best be sure it's safe. Meantime, well all sleep in our suits."
